The Way We Were at PHS

The Year
'75

Events swirl around us--A president resigns, and for the first time in history, we have a president and vice-president who were not elected--Prices rise--The rest of the country is in a recession, but our good earth brings prosperity--Coal trucks lumber through the streets, the cut-through is started, work continues on South Mayo Trail--

A new school year at PHS--Registration, and classes begin in August--New students, new friends, new teachers--Overalls--A 36 to 6 Powderpuff game with the seniors victorious--'74 yearbooks arrive--A fire in Coach Howard's room--And speaking of Coach Howard, a 5-4-1 football season--Still no field--

Clumpy shoes and high heels for her and him--A new basketball coach--Pep rallies--The western look--Senior rings--Spoon rings--Onion rings--Homecoming--Juniors sell magazine subscriptions--Robert Redford--A girls' basketball team--Soft print blouses and mid-calf skirts--Bathroom Patrol and hall passes--Multi-colored socks--Cramming for finals--MIT--No snow for the holidays--but the new year starts with a bang--firecrackers, that is--

ACT and SAT--"Kung Fu Fighting"--Work held up on new high school building--The curb at Jerry's--Talent show--The potter arrives--Student parking--Spring comes--The pace accelerates--Student Council elections--K.Y. A.--Panther teams go outdoors with track and baseball--Varsity Banquet--Awards Day--Prom--Finals--Graduation--And the circle closes--

Now we look forward, but before we go into our tomorrows let's look at the faces of those with whom we shared so much and who helped make our memories of 1975.

Panther Memories . . .

This year the boys' varsity basketball team was under the leadership of a new coach, William Newsome Jr., who had been with the Betsy Layne coaching staff. The Panthers played many tough teams, but came out on top eleven times.

The team started the season off with a big upset in the Jenny Wiley Invitational Tournament where they took the first game from Wheelwright. Unfortunately, they were upset in the second round of the tournament, but they did show their skill with two great performances, losing the second game by only a few points.

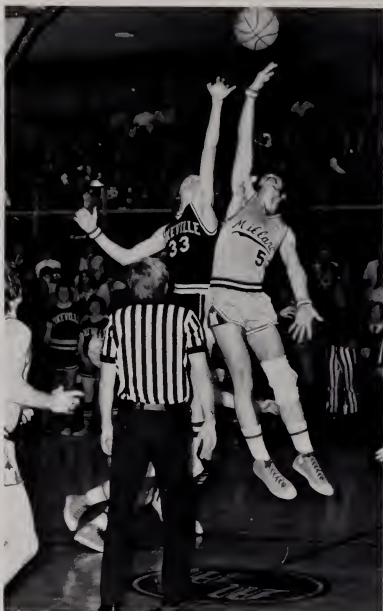

The Betsy Layne Invitational Tournament was the next challenge. This time the Panthers came through with two big victories and were named champions of the tournament. Their opponents in the tournament were McDowell and Betsy Layne. Both games in the tournament were won by only one point.

The next tournament, a new one this year, was the Mullins Invitational. The Panthers were defeated in the first round, but came back to capture third place in the tourney.

The final tournament play for the Panthers' 1974-75 season was the 59th District Tournament. The Panthers defeated Dorton in the first round, but were upset in the second round, losing to Virgie by only two points. However, the team ended the season by winning the freethrow and sportsmanship trophies, and placing two players on the All-Tournament team.

Assisting Coach Newsome this year was another new coach at Pike High, Mr. Don Hall of Martin, Ky. Mr. Hall coached the Junior Varsity team through a successful season.

CONGRATULATIONS TO coaches Newsome and Hall and to the Panthers on a fine season.

"Bill staggs jumping against Millard. "

"Coon Stratton scores for Pikeville!"

"Tommy Waddell looks a little baffled. "

Coon makes two!

Coach Newsome and Heavy don't really approve.

Scotty Smith jumps for two.

Bill struggles for the pointer.

Jr. High Basketball

The Junior High Team went straight to the top with a record of 18-0. This is believed to be the best record Pikeville Junior High has had in about ten years.

The Junior High Team, coached by Hillard Howard, won three tournaments during their season. These tournaments were: the Millard Invitational, and the Area #4 Tournament, and the Pike County Tournament.

In the Millard Invitational, Tommy Hunter and Frosty Davis were named to the all-tournament team.

Named to the Area 4 all-tournament team were: Tommy Hunter, Frosty Davis, and Scott Stewart.

In the Pike County Tournament Pikeville defeated Mullins 54-40 in the first round of play and earned the right to face John's Creek in the semi-finals. The Panthers overcame John's Creek by a score of 65-47 and advanced to the finals. In the exciting final game undefeated Pikeville took on undefeated Virgie. The clash left Virgie defeated for the first time this season with a close score of 46-45.

Scott Stewart, Tim Habern, Tommy Hunter, and Eric McAnallen were named to the all-tournament team.

The starting five for this powerful team were Eric McAnallen-guard, Frosty Davis-guard, Tommy Hunter-center, Scott Stewart-forward, and Tim Habern-forward.

The rest of the team can't be forgotten for they added invaluable assistance: Robert Staggs, Doug Charles, Bo Adkins, Frank Justice, Tommy Burchett, Kenny Damron, Ricky Clark, Kenny Childers, Chris Altman, Danny Sheldon, Wesley Robinson. The managers were Ricky Habern and Kenny Habern. Everyone mentioned played a major part in the victorious season of the Junior High.

New activities are being added at Pikeville High School each year. This year several girls and fans will have especially exciting memories since PHS began a new sports program-girls' basketball. Even though past generations may recall this sport, it hasn't been around PHS since the thirties.

The new team consisted of thirteen girls and was coached by Mrs. Carolyn Hall. These girls will have memories of a successful season-11 wins-6 losses.

The team was entered in two tournaments: the 1st Annual Tom Wiley Invitational, held in Prestonsburg; and the 59th District Tournament held at Johns Creek. The Panthers place third in the Tom Wiley Tournament, picking up three wins by defeating the Virgie Eagles in the first round, easing by the Prestonsburg Blackcats in the second round, and defeating the Millard Mustangs in the Consolation game. The girls lost by only four points to Sheldon Clark in the third round. In 59th District action the team was not so fortunate as they lost to the Millard Mustangs in the first round. Yet when the tournament was over everyone was aware that they had played and played well. They won the team free-throw trophy and had named four girls-Marsha Charles, Terri Adkins, Teresa Ray, Nita Spencer-to the All-Tournament team. CONGRATULATIONS to the girls on a good season and PHS will be looking forward to many more years of girls' basketball memories.

Varsity Cheerleaders

This year holds very special memories for the Varsity Cheerleaders. In KAPOs competition they were judged first in the 15th Region and won the right to compete in the state finals at Louisville.

The year began when the varsity cheerleaders attended the National Cheerleading Association Summer Clinic at the University of Kentucky. There were 200-250 squads that attended this camp.

The girls were taught cheers, jumps, stunts, pompons, acrobatics, and crowd psychology.

In evaluation the girls were given one excellent and four superior ribbons. They had the honor of being chosen one of the best ten squads in the camp and to compete in the district contest. The girls received a spirit stick which they got to bring home.

Later in the summer the girls attended the Pikeville College Clinic, August 4-8. There the girls were named Most Spirited, All-Around Squad, and came in first in their division.

The cheerleaders also traveled to an Ashland clinic during the schoolyear.

The girls cheered at all the games and all the pep rallies, but in addition this they hold their own clinic for elementary girls, who want to learn cheerleading. They teach them cheers, gymnastics, mounts, and chants.

No one who remembers PHS in 1974-75 will fail to think of the eight enthusiastic gals in maroon and white, who did so much to generate school spirit.

JuniorHighCheerleaders

During the past year the Junior High Cheerleaders have gone from good to great.

They started out with two camps. Their first, the U.K. Cheerleading Camp, was held in July. It lasted for five days. It was work, work, work, but the girls came home with ratings of one superior, three excellent, and one outstanding.

Then in August the girls attended Pikeville College Cheerleading Camp. There they learned chants, cheers, pom pom routines, and many other things that make a good cheerleader. The last day of the camp they had competition, divided into three parts: junior high, junior varsity and varsity. In the junior high division our cheerleaders placed first.

Then came football season. The junior girls cheered for the Little League teams--The Packers, Raiders, and Colts.

The cheerleaders had the help of other girls who had run out for cheerleader. The cheerleaders would like to thank them for helping them out with their team by supporting them.

Sandy McClanahan, Donna Thacker

Before anyone knew it basketball season had already arrived. In early February they had competition at Mullins. In area four, the cheerleaders placed first. Then when they went to Area Four Tournament held at Millard, the cheerleading trophy went to Pikeville again. The cheerleaders were over-joyed. They really came back home that night as winners since the team had also gotten first place.

The junior high really had a year to celebrate and remember; the cheerleaders are proud to have cheered their team to a 18-0 season.

Glenna Butler and Laura Justice, two of our award winners, cheered the Junior High team to an undefeated season.

The Winning Memories

Athletic events and all the excitement that goes along with them--whether you participate as a player, cheerleader, coach or fan may gather dust in your treasure of memories. But there will be many days that you dust them off and let them shine. When telling a friend of that last goal to victory you made or cheered or saw. So the Junior High of 1974-75 will have these golden memories. Especially this exciting Junior High basketball team of 1974-75. With a record breaking season of 18 wins and no losses, and their cheerleaders who won two trophies and were proud to cheer their team to victory.

Seventh Grade

We will all remember either our own days in the band or just being proud of our band. Vicky Brewer and Robin Trivette are tooting their horns for the Junior High Band.

The Pikeville City School System, in keeping with its aims to offer a comprehensive scholastic program applied for and were granted, two Title I Kindergarten classes and one State Kindergarten class, for the school year 1973-74.

This year, there are again three classes which are open to all children of the school district. No tuition is required, except for those living outside the school district.

Our curriculum includes Science, Math Concepts, Language Arts, Music, and Social Adjustment. Each child is encouraged to work at his own pace. The school day for the children is from 8:30 till 1:30, and includes a breakfast program as well as lunch.

There are approximately 20 children enrolled in each of the three classes. Each class is supervised by a certified teacher and a full-time aide. The teachers and aides are: Miss Lenore Damron, teacher, Mrs. Caroline Searson, aide; Mrs. Sylvia Bailey, teacher, Miss Dinah Hampton, aide; Mrs. Phyllis May, teacher, Mrs. Patricia Osborne, aide.

We believe that kindergarten is a vital part of a well-rounded education and we believe that every five year old is different from every other five year old. Our immediate objective is to make that five year old feel that he is a person.

Future architects Jamie Green and Michael Wright are conferring on a block city.

When students at Pikeville Elementary are asked, "Who's your teacher?" they respond, "Which One?" This is because of the Teacher Corps Program which places approximately four teacher trainees in each of the six grade levels. The innovative program, now in its second year, gives Chloe a low teacher-pupil ratio and enables the interns and contract teachers to work on advanced degrees. The program is possible because of the cooperation of Pikeville College and the Pikeville Board of Education.

Organizations

Student Council

SPONSOR: Imogene Johnson

OFFICERS: John Elliott-President;
David Elder-Vice-President;
Amy Black-Secretary;
Mary Page-Treasurer.

The Student Council is a mediating body between the faculty and the students. It has been in existence six years and has been of great benefit to the school.

Over the years they have been influential in getting the dress code changed, providing for exemptions from semester tests, setting up a student advisory board, and getting the schedule changed. They have also been the sponsors of numerous dances and talent shows.

With the help of the student body and faculty the Student Council can make even more changes in the future.

Honor Society

The Honor Society at Pikeville High School is sponsored by Jack Clevinger. President-Margaret Bertrand; Vice-President-Marjorie Bertrand; Secretary-Nita Spencer; and Treasurer-Clyde Cook. To be a member of the Honor Society one has to be nominated by a teacher, maintain a B average or better, and be either a sophomore, junior, or Senior.

The Society gives references for colleges and gives seniors a recognition symbol on their diplomas. They sponsor a child over-seas and send donations to the Mary Calvert School at Christmas. They also elect the Teacher of the Year award.

Nominated this year for the academic scholarships are Don Combs and John Paul Runyon.

Mr. Hall-sponsor, Marty McNeil, Teresa Blackburn, Ken Borders, Teresa West, Randy Courtney.

Officers: Teresa Blackburn, President-Lisa Collett, Vice-President-Revella Johnson, Secretary-Rita Holsinger.

Teens Who Care

The Teens Who Care is an organization aimed at helping the mentally retarded and the elderly. It is a relatively new organization at our school. Since the Teens Who Care was formed seven years ago their projects have included painting the school lunch room, giving Christmas parties at the Mary Caverett School, and raising money for the Mary Caverett School through coat checks at basketball games. They also sing for the patients at the Mountain Nursing Home every Christmas.

Pep Club

OFFICERS: Mary Page-Senior Rep.; Mary Tudor-Junior Rep.; Patti Cox-Vice-President; Karla Justice-President. (top row) Jean McClanahan, Lisa Collett-Sgt.-at-Arms; Jennifer Morton-treasurer, Susan Allen-Sophomore Rep. Cindi McGhee; Freshman Rep.

Remember Eugene Johnson with a pie in his face? and the exciting Jackpot "games" with the Virgie Eagles? Well these events were the brain children of the P. H. S. Pep Club.

The Pep Club supports all the athletic teams at Pikeville High. In addition to making lots of noise at games and pep rallies, the members make posters and decorated the buses and locker rooms, prepare goodie bags and Kool aid and cookies for the athletes, and perform skits at pep rallies. Money is raised through bake sales and dues and fines, finance the Homecomings parade and Homecoming banquet. The club is responsible for the crowning of the Varsity and Homecoming Queens.

To be a member of the Pep Club, one must be in grades 9-12 and pay dues of one dollar each semester. Regular meetings are held, and Pep Club members sit in a special section during pep rallies and ball games.

Mrs. Collier is the Pep Club sponsor, Karla Justice, President; Patty Cox, Vice-president; Beth Carty, Secretary succeeded by Jennifer Morton, and Lisa Collier and Jean McClanahan, Sergeants-at-Arms. were this year club officers.

In order for the Pep Club to be successful in its aim to strengthen school spirit, it must have the support of the faculty, student body and athletic teams. The Pep Club initiates school spirit, but it is left up to each individual to develop it within himself.

They were: Jennifer Morton, Glenda Cutright, Amy Black, and Charles Zoellers. The members elected to serve on next years KYA assembly were: Cam Robinson and Glenda Cutright. At KYA Jennifer Morton ran for Secretary of State and Charles Zoellers was elected Lt. Governor for 1976. John Elliott received a special award for Public Speaking. The club itself was presented a trophy for being the top Co-Ed-Y club in the Eastern Division.

The Co-Ed-Y is sponsored by Mrs. Clemma Hammond.

The Co-Ed-Y has been very active this year. Debate Team

For the first time in many years, P. H. S. has an organized Debate Club. Though they were in no debates, they spent the year learning the fundamentals of debating.

This is also Mrs. Sallee's first year to sponsor the club.

Mrs. Sallee and her club will remember this year for all they learned and are looking forward to next year when they can start competing.

Keyettes

This year the Keyettes weren't as active as they had been in the past years, due to the lack of membership. The Keyettes is a service club. The club gives a scholastic scholarship to a senior boy or girl. The Keyettes sold stationery left over from last year, sold cookbooks, and conducted a rummage sale. This is a very worthwhile organization for any Junior or Senior girl. So we hope to see more participation next year.

Annual and Paper Staff

This year was the first year that the annual and newspaper were prepared in a class. The class was called Journalism and it was taught by Ms. Carrico and Mrs. Carty. The annual and paper staff members went to the University of Kentucky for an all day School Publications Work-shop. The annual staff presented a skit in assembly to promote the annual. They also sold old pictures and annuals to raise money.

The members of the Journalism class are: Lola Adkins, Susan Allen, Liza Bell, Lisa Billiter, Pam Davidson, Carol Daniels, Tom Elliott, Marshilla Habern, Bobby Hall, Teresa Hampton, Tammie Hobbs, Claudean Hunt, Greg Jones, Revella Johnson, Libbi Justice, Jean McClanahan, Vinson Ratliff, Randy Roberts, Cecelia Rogers, Cindi Rosebrook, Carolyn Runyon, Nita Spencer, Elizabeth Tudor, Linda Walters, and Marie Wylont.

Annual Staff Skit

Mark Batten was our emcee.

The annual staff made bright memories this year as they entertained the high school by putting on a series of skits to promote annual sales. Some of the skits included the annual burglar, here comes da judge, love and the annual, missed her chance, two grandma's, and the ever famous annualettes, The announcer for the show was Mark Batton. After the show annual orders were taken on stage.

Field Commander
Tommy Jo Justice

The 1974-75 field commander was Tammy Jo Justice. Tammy received two trophies this past year. A first one was for first place at Apple Day Festival and the other for second place in the V. F. W. Contest.

Pikeville High School Marching Band

This year the Pikeville High School Band was under the direction of Phillip D. Cole.

The band members have many memories of the years past and of this year. The band didn't go anywhere out of the ordinary this year, just the usual everyday places like camp, football games, contests, and basketball games.

August 4-10 the band attended camp at Camp Crescendo in Lebanon Jct., Ky., for their week of fun-filled work. They brought back many memories from camp such as learning how to march, memorizing music, trying to eat creamed Yang Yang for breakfast, getting vaseline out of hair and make-up off face, meeting new friends and getting to know the old friends a little better! For some this was their first year at camp and for others it was their last!

The first event for the year was marching in the annual Homecoming Parade. On October 5, the band traveled to Paintsville for the Apple Day Festival Contest. The band placed second in the Class B field competition and first place in field commanding competition. Then on October 26, they went to the Veterans of Foreign War Contest in Cumberland, Ky. They received \$75.00 for second place in parade competition, a third place trophy in field competition, and a second place trophy for each of the following: Field Commanding, Majorettes, and Flag Squad. The band marched in two parades in December. They received a trophy for the Best Marching Band in the Pikeville College Homecoming Parade.

The memories will remain forever for the members of the Pike High Band.

Majorettes

On May 10, 1974, six girls were elected as 1974-75 majorettes. They were Beth Carty, Susie Adams, Francis Tudor, Dawn Deskins, Debby Haley, and Cam Robinson. These girls were chosen by three judges from out of town.

To be elected as a majorette each girl had to do her basics, an original twirling, and a strut. The girls were judged on things such as ambidexterity, grace, posture, individuality, and poise.

The week of June 17-22 the girls attended Camp Crescendo in Lebanon Junction.

Mary Francis Tudor
Head Majorette

Dawn Deskins

There we attended classes for flag, hoop, fire, and two baton. There were also classes for pom-poms and dance twirl. These classes came in handy when planning routines for football and basketball shows.

The majorettes and band attended a contest at Cumberland College on October 26, 1974. There, out of eighteen corps of majorettes, they placed second. The majorettes also marched at the Apple Day Contest in Paintsville.

During the year Beth and Susie left the corps leaving four majorettes to perform the rest of the year.

Along with the band the majorettes performed in the Pikeville college Homecoming Christmas parade, and Pikeville High School Homecoming.

During basketball season the majorettes and pom-poms marched at every halftime. Then when District came along the band, majorettes, and pom-poms performed.

All in all the majorettes had a very successful year. With the winning of trophies and practicing every spare minute it was really a year of fun and hard work.

Junior High Band

The Junior High band will have many memories of 1975. This band is composed of 70 seventh and eighth grade students. This year they marched in two parades-the Homecoming Parade and the Christmas Parade. They also performed a concert in March. Due to Mr. Cole's sickness they were unable to participate in the Christmas Concert held in December.

Sixth Grade Band

This years' sixth grade band was composed of 40 members. They were first year band students, and their main concern was to learn to play their instrument. They were transported from the elementary school to the high school for practice. They played at the elementary school's Christmas program, and also presented a spring concert.

SR. RIFLE AND FLAG GIRLS: Elaine Johnson, Marcia Little, Kim Linton, Linda Nunn.

Memories of this past year will always be bright for the Flag and Rifle squad. We shared excitement, fun, laughter, and tears—but these are what memories are made of.

It all began with tryouts April 23rd. A lot of girls worked hard for a position on the squad, but only eight could attain it. We were led by our fearless captain, Lisa Billiter, and co-captain, Marcia Little.

In July we all headed for camp Crescendo to participate in a week filled with hard work and fun. It all really began here. Here, where we shared most of our feelings and where we really got to know each other. We'll never forget cleaning up our rooms a second before inspection, waiting anxiously to be called to the dining hall, getting sick of creamed yang-yang, learning the tampon strut, watching Man's Band, the double barrels, and when a counselor came to warn us to be quiet (fanning himself with the door). We'll never forget flag and rifle camp.

When our band entered the Apple Day contest, we marched until we thought our feet would fall off, and when the parade ended our rookies were no longer rookies.

Next we went to Cumberland and performed our marching show for judges. Another memory fell into place as we picked up our first trophy.

We continued to practice, to do the halftime shows at football games, and to have the best times of our lives.

When Basketball season began, we were no longer Flags, but Pom-Pons. The rifles joined us and our eight expanded to eleven. We seemed to have our share of problems, but we worked them out.

During Christmas vacation another member was added to the squad—our sponsor, Mrs. Goff. We also decided to vote for captain and co-captain; Susan Allen was elected captain and Kim Linton, co-captain.

District came and we knew we were all nearing the end. We looked back on all we'd been through—our messups, our nick-names for each other, the hard work at practices, our long sought new uniforms, the closeness we had found in friendship—all memories. And these memories would not end at our last half-time at District, but would go on forever.

Memories of Homecoming '74-'75

The 1974-75 Homecoming activities were held the week of October 7-12. The memories of Homecoming were both good and bad, but will always be treasured.

This year was slightly different when it came to floats. With the paper shortage we decided that building floats took more paper than we could afford so it was decided that the halls and stairways of every floor be decorated by each class. The stairways were decorated by the freshmen, the basement hall by the sophomores, the middle floor hall by the juniors, and the top floor hall by the seniors. The halls were judged October 9 by chosen teachers. All the halls were decorated FANTASTICALLY but the judges thought the sophomores came out on top. The cash prize of \$15 was awarded to them. Congratulations sophomores!

Following the pep rally on October 11 we had a Homecoming parade. The Jr. High band led the parade. They were followed by the attendants, who rode in decorated golf carts. Each class decorated their attendants cart with streamers, and posters. Farther into the parade rode our football boys hopefully catching all the spirit the school and town was putting forth for them. Bringing up the end of the parade was the Pikeville High School Band playing songs suitable for the occasion.

Later that night the Pikeville Panthers hosted the Paintsville Tigers at the Mullins field. Unfortunately our spirit died as the Panthers lost the Homecoming game with a score of 16-6. At halftime entertainment was provided for the fans by the crowning of the queen, Patty Cox. Our Homecoming court consisted of Mural Bradley, Katie Eagle, Pat Kitchen, Linda Odom, Teresa Dye, and Kim Linton. Also for halftime entertainment the Pikeville High School Band performed. This wasn't exactly a victory night for the Panthers as they lost the game and as one command wasn't given and they ended up starting off the field twice.

Better luck next year Panthers!

Everyone enjoyed the following night tremendously as we had a homecoming dance. I didn't think anyone let the disappointment of losing the game interfere with their happiness that night. Of course how could we with a gym beautifully decorated by the Pep Club with a theme of "Straight to the Top" and the music provided for us by Odyssey.

This week was really one every Senior will probably not forget as it was their last Homecoming at Pike High. We had both disappointments and joys during the week, but those joys won't hide behind the disappointments of beautiful memories of "the way we were."

Memories of the End

The ceremony of graduation-old-but ever new to those who are a part of it. The solemn strains of the processional, the attending to the prayers and admonitions of their elders, the addresses of the valedictorian and salutatorian, the presentation of honors and awards, the music-all of these mark this solemn yet joyous occasion. Finally the big moment-the presentation of diplomas--lines of maroon-and-white clad seniors move slowly with measured steps. They hear their names and go forward to receive their diplomas from the hand of the chairman of the board of education. Each member of the class is presented with a testament and the girls are given lovely long-stemmed red roses. The superintendent-at long last-certifies that the class has "met all the requirements of the Kentucky Department of Education and the Pikeville Independent Schools", and the tassels are switched from right to left. It's over--hats in the air!! Graduation--May 13, 1975 is now a memory.

Sadness

true sadness is when
your thoughts of the present
and future
turn to glass fragments
before you can really form them.
sadness is your friends
turning to sharply etched shadows
showing pain
in the chilly mist of the past.
sadness is a lonely plain
with less than a wind to wrap you
and your thoughts together.
sadness is a maybe
running away to other places
before you find your answer.
sadness is when you thought
you had every star there was
and now you haven't one.
sadness is killing me
and here I am,
a child
yet to see Spring.
